

Ephesians

READING

Ephesians 1
Ephesians 2
Ephesians 3
Ephesians 4
Ephesians 5
Ephesians 6

Read through each chapter.
Ask God to show you what you need to see.
Discuss anything that seems interesting and see where it takes you.
As you read each new chapter, look for common themes, and also discuss how it relates to the others.

And finally ask yourself, “So what?”
Was this just some interesting information? Or is it life changing?
What are you going to do differently from now on?
What choices are you going to need to change?
How is this study going to influence your lifestyle?

How would you summarise each chapter of Ephesians in a sentence?
How would you summarise those 6 sentences in one sentence?

What role does the Old Testament Law play in salvation?
What role does your own effort play?
When were you saved?

What about after you become a Christian? What role does the Law play then?
Does that mean you can do whatever you like?
How should we live?

Is this different for Jews and Gentiles (non-Jews)?

What would Christianity look like if the gospel had only been for Jews?

What are the best things we can pray for other Christians?

Who should be the greatest servants of the church?

Is there any difference between the role of husband and wife?
Was this just the case in Paulus’ day? Is it still now? Why?

Why do you think children had to obey their parent’s back then?
Is it still the same now? Why?

What about workers and employers? Is there anything you need to change?

So what?
